**COMBINED TENNESSEN WARNING AND  
NOTICE OF RIGHTS CONCERNING THE INFORMATION YOU SUPPLY TO  
ANOKA COUNTY PARKS AND COMMUNITY SERVICES**

In accordance with the Minnesota Government Data Practices Act (“MGDPA”), Anoka County Parks and Community Services (“County”) is required to inform you of your rights as they pertain to private information collected from you. Private data, such as financial information and social security numbers, are information held by the county that is available to you, but not to the public.

The private data collected from you, or from other agencies or individuals authorized by you, is used to determine your eligibility for the Wargo Nature Center Day Camp Scholarship offered by the County. This is a voluntary scholarship program. The financial information you provide is used to determine your eligibility for the program. If you choose not to supply the required information, the County will not be able to determine your eligibility for this program.

The dissemination and use of private data the County collects is limited to that necessary for the administration and management of the County’s Parks and Recreation programs. Persons or agencies with whom this information may be shared are:

1. Anoka County personnel with Anoka County Parks and Community Services;
2. Authorized personnel and volunteers at Wargo Nature Center;
3. Federal, state, local and contracted auditors, if required; and
4. Appropriate persons or law enforcement in an emergency.

Unless otherwise authorized by state or federal law, other government agencies utilizing the reported private data must also treat the information as private.

You may wish to exercise your rights as contained in the MGDPA. Those rights include:

1. The right to see and obtain copies of the data maintained on you.
2. The right to be told the contents and meaning of the data.
3. The right to contest the accuracy and completeness of the data.

I have read and understand the above information regarding my rights relative to the collection of personal data for government programs.
