## Registration Deadline

**January 20, 2020**

## Incumbent Worker Eligibility:

- Be 18 years of age or older at the time the training begins.
- Be a U.S. Citizen or otherwise be legally entitled to work in the U.S.
- Comply with Selective Service registration requirements.
- Be employed for at least 6 months by current employer.
- Meet the Fair Labor Standards Act requirements for an employer-employee relationship.

## Course Overview:

Gain leadership skills and the "Soft Skills" of effective project managers, all while learning the practical tools needed to successfully manage projects from start to finish.

## Program Benefits:

### Learn project management leadership skills.

Demonstrate your skills by successfully navigating your projects from initiation to closure.

### Choose the right approach.

Leave class with the ability to identify projects best served using the waterfall method.

### Drive project success.

Return to work ready to improve project success and drive innovation.

### Earn a certification.

By successfully completing the program and passing a group exam, you will earn the CPPM certification through the University of St. Thomas.

### Take steps toward PMP® designation.

Earn 35 contact hours of Registered Education Provider training required for Project Management Professional (PMP®).

### Earn PDU credits to maintain PMI® certifications.

Earn 35 PDUs through this program.

### Network with peers in Anoka County.

**This incumbent worker training is offered to help employers remain competitive by retaining a skilled workforce or to avert a layoff by increasing the skills of their current workers.**

Equal Opportunity Employment and Service Provider.
