

## Ham Lake

### ! Upcoming Construction !

Major construction is coming to the Highway 65 corridor in Blaine as MnDOT, Anoka County, and the City of Blaine make infrastructure upgrades to improve MN-65's safety for all road users, including drivers, pedestrians, and bicyclists. The project, called **Thrive on 65**, is still in the final planning phases but construction is slated to begin in 2025/2026.

### Park & Ride

While Ham Lake has no fixed-route transit service, the **95th Avenue Park and Ride** in Blaine has all-day trips to and from downtown Minneapolis on Route 250, and direct service to the U of M on Route 252 once per rush hour. The Coon Rapids/Riverdale Northstar station is about a 17 minute drive from Ham Lake with weekday rush hour trips to Target Field in Minneapolis.

### Transit Link

Transit Link is the region's dial-a-ride service that is used for areas, like Ham Lake, without fixed-route buses and will typically connect customers to fixed route services to get to their destination. Transit Link serves all of Anoka County, but rides must be scheduled ahead of time.

### Carpooling/Vanpooling

Take advantage of EZPass lanes, split fuel costs and reduce wear and tear on your car by carpooling with a friend, family member, or coworker on your commute. Learn more information and register for the carpool database at: [metrotransit.org/carpool-vanpool](http://metrotransit.org/carpool-vanpool).

### Biking and Walking

Ham Lake's exurban and rural character can make it difficult to bike or walk for transportation. However, parks and some major roads have multi-use paths for walking, biking, scooting, or otherwise enjoying the outdoor amenities of Ham Lake.
