PUBLIC HEALTH NURSE FAMILY HOME VISITING

Supporting
Families During
Pregnancy and
Parenting

Public Health Nurses provide free, confidential, non-judgmental, and voluntary services in your home, school or other location of your choice.

LEARN AND GET SUPPORT WITH:

- Having a healthy pregnancy, baby and children
- Ways to play with your baby and or children that will help their brain grow
- Prenatal care, becoming a parent and child development
- Building a strong network of support for you and your family
- Making your home a safe place for children to live and play
- Connecting to services and resources in your community
- Setting goals for your family's future and finding ways to reach them

**If you are expecting a baby,
parenting with questions, or need
support please call us today.**
