

Current Traffic Counts

Anoka County Highway Department

Count Locations

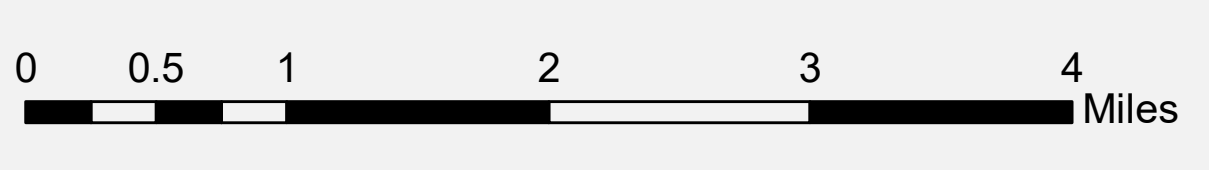

- 2022 ADT
- 2021 ADT
- 2019 ADT
- 2018 ADT

Road Labels

- County Road
- CSAH Road
- State Trunk Highway
- US Trunk Highway
- Interstate Highway

Count Locations are denoted by colored dots.
 ADT (Average Daily Traffic) denotes the raw count obtained directly from the counting device over a 2 day period.
 ADT (Adjusted Average Daily Traffic) denotes an adjusted count based on a factor applied to the raw count to represent traffic over the course of 1 year.
 Anoka County Road Segments are represented by multicolored lines. The gray value represents the AADT averaged to the segments.
