Income determination for households of more than 8 members:

Per HUD, family sizes in excess of 8 persons are calculated by adding eight percent (8%) of the four-person income limits for each additional family member. So:

- 9-person household should be 140% of the 4-person limit;
- 10-person household should be 148% of the 4-person limit;
- 11-person household should be 156% of the 4-person limit;
- 12-person household should be 164% of the 4-person limit; and so on.
