Role	Definition
Licenseholder and co-applicant	An adult (or adults, if there are co-license holders) who is legally responsible for the operation of the family child care program. All license holders are listed on the license. The license holder is the primary caregiver.
Second adult caregiver	An adult who provides care in the program along with the license holder for more than 500 hours annually. NOTE: Adult caregivers who provide care in the program along with the license holder for 500 or fewer hours annually are required to take the same trainings as those required for a substitute.
